

Little Animals

Learning Standards:

- 6.A Demonstrate knowledge and use of numbers and their representations in a broad range of theoretical and practical settings.
- 6.B Investigate, represent and solve problems using number facts, operations (addition, subtraction, multiplication and division) and their properties, algorithms, and relationships.
- 6.C Compute and estimate using mental mathematics, paper-and-pencil methods, calculators and computers.
- 8.C Solve problems using systems of numbers and their properties.

Student Objectives:

Sing and identify the numbers one to ten

Procedures:

1. Teach the following words to the traditional song "Ten Little Indians"
2. Assign children to a number. Have them practice the song. have the group of 10 sit on the chairs lined up in a row and when their number is sung, have the child stand and show the action of the animal.
